OUR COMMITMENT TO YOU

We are committed to getting it right for you our trade partner; whether that's by developing products to meet your customer's requirements, our continuous staff training programme or our commitment to the environment, ensuring we give back. We are committed to:

Creating environmentally sustainable products

Using recyclable & recycled materials wherever possible, as part of our ISO 14001 accreditation

ROMOLD LTD[®]
specialist manufacturers of spill containment solutions

OUR PARTNERS CHOOSE US BECAUSE WE ARE

Independently audited to international standards

Offer competitively priced quality products

Passionate about customer service

Offer 3 year guarantees as standard on polyethylene products

Collaborative and flexible in how we work with our trade partners

Offer product and industry related training to all our trade partners

Ethical and reputable

Work tirelessly to lessen our environmental impact

INTERNATIONAL CUSTOMERS

Our international sales have grown significantly over the last few years, and now account for 75% of our total sales

We ship to over 50 countries worldwide

We will provide the necessary legalization documentation, and other import and customs paperwork requirements

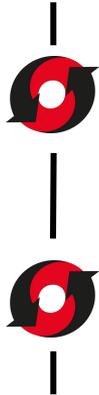

As part of the Empteezy Group, we have regional warehouses in Germany, France, Spain and Italy

INTERNATIONAL CUSTOMERS CONTINUED

A fundamental part of our strategy for our international customers is to:

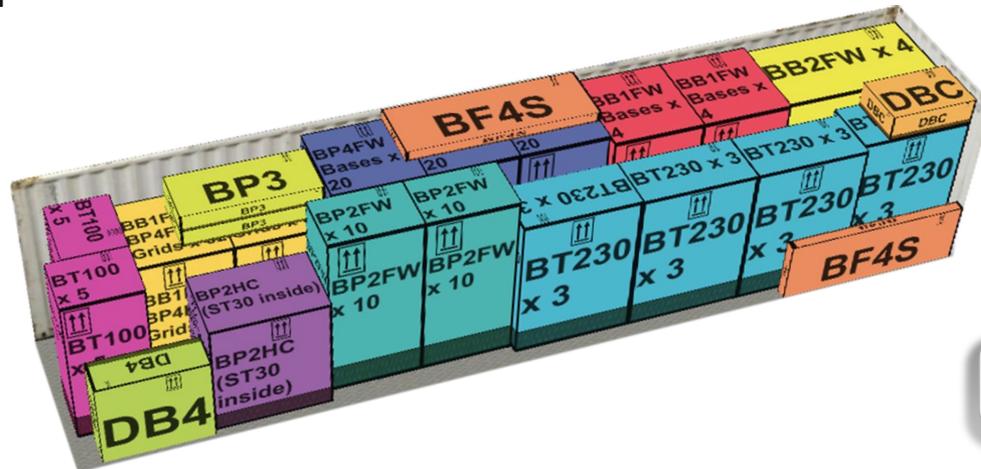

Develop products to cater to customers needs and standards across the world

Develop products designed to stack to help reduce transport costs

To help optimise and fill each shipping container, we use our logistics and shipping software programme to generate the best load profile.
